The Metropolitan Cemeteries Board requires that an applicant for a Single Funeral Permit complies with the following:

1. All requirements detailed in the Cemeteries Act, Cemetery By- laws and conditions prescribed by the Board are met.
2. Applicant is over the age of 18 years and must provide their full given names and surname on all forms.
3. Secure Public Liability Insurance to the value of \$5,000,000.
4. Ensures that the arrangements for the safe holding of the body prior to the cremation meet the required health regulations.

6. Is able to provide a suitable and respectable vehicle to be used to transport the body and coffin within the cemetery. (i.e. in the case of an infant, a sedan; a hearse or station wagon for a child or adult).

Please Note: The Board may require one of its representatives to inspect the coffin and vehicle prior to their arrival for the funeral at the cemetery.

7. An **Application for Cremation Form** must be lodged at the cemetery where the funeral is to take place. The Application must be accompanied by the following documentation for **Cremation**:
 - Permit to Cremate
 - Identification Form
 - Single Funeral Permit
 - Proof of purchase of Public Liability for \$5,000 000
 - Payment of relevant cemetery fees.

Funeral Procedures for a Cremation

Before the funeral can take place:

1. Medical Certificate

It is necessary to obtain a **Medical Certificate of Cause of Death** from the doctor who certified the death. This can be done at the time the doctor certifies, or alternatively by arranging to collect it from his surgery. If the death is subject to a Coronial Investigation, a **Coroners Certificate** is issued by the Coroner's Office.

In the case of a STILLBORN death a **Perinatal Certificate** replaces the **Medical Certificate of Cause of Stillborn or Neonatal Death** (available from the Hospital where death occurred).

2. Application for a Single Funeral Permit:

To make an application for a Single Funeral Permit it is necessary to complete an **Application for a Single Funeral Permit** and return it to the Karrakatta Office with the relevant fee and proof of securing Public Liability Insurance to the value of \$5,000,000. Once this has been approved, it is necessary for you to book the day and time of the cremation with the MCB. Please contact **1300 793 109** and ask for the Funeral Bookings clerk between 8:30am – 4:30pm Monday to Friday. You will be asked to provide the following information:

- Your full name, phone number, fax number and that you have a Single Funeral Permit and wish to book a service.
- Which cemetery you require;
- Date and Chapel time for the cremation, (please have a second choice ready as your preferred time may not be available).
- Surname and given names of the deceased;

Note: Chapels available for services are:

- **Karrakatta Dench Chapel** (small, seats approx. 20. Times are half hourly from 9:15am to 4:15pm)
- **Karrakatta Brown Chapel** (medium, seats approx. 50. Times are on the hour from 9am – 4pm)
- **Karrakatta Norfolk Chapel** (large, seats approx. 80. Times are hourly from 9:30am to 3:30pm)
- **Karrakatta Garden Chapel** (outdoor setting – approx. 12 chairs provided. The Garden Chapel has a marquee on site; however you are required to provide your own sound system. As there is no lowering catafalque, the coffin after the service, is removed by the Single Funeral Permit applicant and returned to the vehicle to be taken to the rear entrance of the crematorium where the crematorium staff will help you transfer the coffin to the cremation area.
- **Pinnaroo East Chapel** (large, seats approx. 100) Times are hourly from 9:30am to 4:30pm.
- **Pinnaroo West Chapel** (large, seats approx. 100) Times are hourly from 9am to 4pm
- **Fremantle East Chapel** (medium, seats approx. 65, standing further 75 – Doors closed. With doors open, stands a further 120 people undercover). Times are on the half hour from 9:30am – 3:30pm.
- **Fremantle West Chapel** (large, seats approx. 200, standing 180 to 250 – Doors closed. With doors open stands further 250 people undercover. Times are on the hour from 9:00am – 4:00pm
- **Fremantle Central Chapel (Outdoor Chapel)** (small, seats 20, standing 30 people) Times are on the three quarter hour from 9:45am – 3:45pm. There is no lowering catafalque; the coffin is passed through the doors at the catafalque and received by the crematorium staff.

3. Form 7: Certificate of Medical Attendant

If the deceased person is to be cremated it is important to advise the doctor at the same time as ordering **the Medical Certificate of Cause of Death** (or Medical Certificate of Cause of Stillborn or Neonatal Death) so that he can complete a **Certificate of Medical Attendant** (Form 7). As this form may take the doctor approximately 30-45 minutes to complete, you may be asked to collect it later. If the death has been the subject of a Coronial Inquiry then **Coroner's Certificate to Cremate** (Form 8) would replace this form and need to be completed by the Coroner.

4. Form 6: Application for a Permit to Cremate

You will need to complete a **Application for a Permit to Cremate** (Form 6). PLEASE NOTE – ALWAYS USE FULL LEGAL GIVEN NAMES AND SURNAME ON ALL FORMS.

You will need to take the completed Form 6 and Form 7 to a **Medical Referee**. A Medical Referee is a Doctor appointed under the Cremation Act. The attached list will provide you with some of the Medical Referees within the metropolitan area. The Health Department will provide further names if required.

The Medical Referee will check both the Form 6 and Form 7 prior to issuing you with a **Permit to Cremate (Form 9)**. You must ask if there is a pacemaker; and if so, has it been removed? The Medical Referee keeps both the Form 6 and Form 7. It is normal for Medical Referees to charge for their service.

5. Completion of MCB Application for Cremation

The legal surname and given names of the deceased must be used. **(The given names and surname should be the same on all forms)**. Your full given names, surname and address as Administrator must be completed, signed and dated.

Please make sure you have completed Section 4 on the Application for Cremation if you have decided what arrangements you would like for the ashes. If you would like a brochure forwarded to you, giving you varied choices, please print "Brochure please" where it says "**other**". A copy of the Application for Cremation and the Permit to Cremate must be submitted to the reception office at the cemetery 48 hours prior to the funeral. This ensures time for any errors to be rectified and the forms resubmitted before the funeral. Payment must be made prior to the funeral taking place.

6. Coffin:

A substantial and respectable coffin is required for cremation which bears the name of the deceased person indelibly inscribed in legible characters on a plate on the coffin lid (MCB By-law 27). A lead strip bearing the surname of the deceased is required to be placed under the name plate. It is recommended that you contact one of the local coffin distributors or alternatively a Funeral Director to purchase a recommended coffin and lead strip.

A list of coffin makers is attached. Should you have a coffin/casket made for you, it must be presented to the MCB for approval. Please make an appointment at the cemetery where funeral is to be held.

On the Day of the Funeral

Check with the Client Liaison Officer for site specific instructions for arrival at the cemetery of choice

Original paperwork required is as follows:

- **Application for Cremation**
- **Permit to Cremate (FORM 9)**
- **Identification Form (Fifth Schedule)**
- **Single Funeral Permit**
- **Proof of purchase for \$5,000,000 Public Liability Insurance**

Identification Form:

An **Identification Form** is required on the day of the funeral. This form is completed by the applicant certifying that the body in the coffin is in fact the deceased person named on the Permit, and whose name appears on the plate on the lid of the coffin. The Identification must be done prior to the coffin being sealed.

Ashes:

The ashes are available for collection from the MCB 48 hours after cremation takes place. You can nominate to collect the ashes by selecting that option on the Application for Cremation Form or you can advise us at a later date. Please phone 1300 793 109 and follow the prompts to speak to your preferred cemetery, then follow the procedures for collection should you wish to collect on a certain day and time.

The ashes can be collected in person by the Administrator (ie the person whose name is provided on the Form 6 and Form 9). In the event that the Administrator is not available to personally collect the ashes, then a letter of authority together with acceptable identification (i.e. Drivers Licence) may be presented at the office, thus allowing a representative to collect the ashes on their behalf..

If you are undecided regarding the placement of the ashes, the MCB will hold the ashes for six (6) months free of charge and post out brochures to the Administrator. If the ashes are not placed with a memorial or collected within six months, a storage fee per month is charged. The MCB may dispose of the ashes in accordance with our By-Laws if arrangements have not been made for them to be placed or held beyond the 6 month period.

After the Funeral:

REGISTRATION OF DEATH:

Under the Births, Deaths and Marriages Registration Act 1998 you are required to register the death of the deceased with the Registry Births Deaths and Marriages (Department of Attorney General). The registration of the death is required to be completed within fourteen days (14) of the death occurring and within seven (7) days of the funeral.

The following documentation needs to be presented to the Registry, Births Deaths and Marriages, Level 10, 141 St George's Terrace Perth during normal office hours:

- **Death Registration Form** duly completed
(In the case of a STILLBORN, a **Birth Information Paper** must also be lodged)
