  - Payment of relevant cemetery fees
  - Identification Form

# **FUNERAL PROCEDURES FOR CONDUCTING A CREMATION**

## ***Before the funeral can take place:***

### **1. Medical Certificate**

It is necessary to obtain a **Medical Certificate of Cause of Death** from the doctor who certified the death. This can be done at the time the doctor certifies, or alternatively by arranging to collect it from his surgery. If the death is subject to a Coronial Investigation, a **Coroners Certificate** is issued by the Coroner's Office.

In the case of a STILLBORN death, a **Medical Certificate of Cause of Stillborn or Neonatal Death** replaces the **Medical Certificate of Cause of Death**. This is available from the Hospital where death occurred

### **2. Application for a Single Funeral Permit:**

To make an application for a Single Funeral Permit it is necessary to complete an **Application for a Single Funeral Permit** and return it to the designated cemetery office with the relevant fee and proof of securing Public Liability Insurance to the value of \$5,000,000. Once this has been approved, it is necessary for you to book the day and time of the cremation with the MCB. Please contact **1300 793 109** and ask for the Funeral Bookings clerk between 8:30am – 4:30pm Monday to Friday. You will be asked to provide the following information:

- Your full name, phone number, fax number and that you have a Single Funeral Permit and wish to book a cremation/chapel service.
- Which cemetery you require;
- Date, time, service duration and preferred chapel. This is subject to availability. Please have a second choice ready as your preferred time may not be available;
- Surname and given names of the deceased;

You will then be given a cremation application number. This will need to be referenced on all paperwork relating to the deceased.

A summary of the MCB Chapel Facilities and Availability can be found on our website.

<http://www.mcb.wa.gov.au/chapels-facilities>

### **3. Form 7: Department of Health Certificate of Medical Attendant**

If the deceased person is to be cremated it is important to advise the doctor at the same time as ordering **the Medical Certificate of Cause of Death** (or Medical Certificate of Cause of Stillborn or Neonatal Death) so that he can complete a **Certificate of Medical Attendant** (Form 7). As this form may take the doctor approximately 30-45 minutes to complete, you may be asked to collect it later. If the death has been the subject of a Coronial Inquiry then **Coroner's Certificate to Cremate** (Form 8) would replace this form and need to be completed by the Coroner.

#### **4. Form 6: Department of Health Application for a Permit to Cremate**

You will need to complete an **Application for a Permit to Cremate** (Form 6)

**Note: ALWAYS USE FULL LEGAL GIVEN NAMES AND SURNAME ON ALL FORMS.**

You will need to take the completed Form 6 and Form 7 to a **Medical Referee**. A Medical Referee is a Doctor appointed under the Cremation Act. The attached list will provide you with some of the Medical Referees within the metropolitan area. The Department of Health will provide further names if required. The Medical Referee will check both the Form 6 and Form 7 prior to issuing you with a **Permit to Cremate (Form 9)**. You must ask if there is a pacemaker; and if so, has it been removed? The Medical Referee keeps both the Form 6 and Form 7. It is normal for Medical Referees to charge for their service.

#### **5. Application for Cremation Form**

The full legal surname and given names of the deceased must be used. **The given names and surname should be the same on all forms.** Your full given names, surname and address as Administrator must be completed, signed and dated.

Please make sure you have completed Section 4 on the Application for Cremation if you have decided what arrangements you would like for the ashes. If you would like a brochure forwarded to you, giving you varied choices, please print "Brochure please" where it says "**other**". A copy of the Application for Cremation and the Permit to Cremate must be submitted to the reception office at the cemetery no later than 48 hours prior to the funeral. This ensures time for any errors to be rectified and the forms resubmitted before the funeral. Payment must be made prior to the funeral taking place.

#### **6. Coffin:**

A substantial and respectable coffin is required for cremation which bears the name of the deceased person indelibly inscribed in legible characters on a plate on the coffin lid (MCB By-law 27). A lead strip bearing the surname of the deceased is required to be placed under the name plate. It is recommended that you contact one of the local coffin distributors or alternatively a Funeral Director to purchase a recommended coffin and lead strip.

A list of coffin makers is attached. Should you have a coffin/casket made for you, it must be presented to the MCB for approval. Please make an appointment at the cemetery where funeral is to be held.

## ***On the day of the funeral:***

Check with the cemetery office for site specific instructions for arrival at the cemetery of choice.

Original paperwork required is as follows:

- **Application for Cremation**
- **Permit to Cremate** (Form 9)
- **Identification Form** (Fifth Schedule)
- **Single Funeral Permit**
- **Proof of purchase for \$5,000,000 Public Liability Insurance**

### **Identification Form – Fifth Schedule**

An **Identification Form** (5<sup>th</sup> Schedule) is required on the day of the funeral. This form is to be completed by you certifying that the body in the coffin is in fact the deceased person named on the **Medical Certificate of Cause of Death**, and whose name appears on the metal plate on the lid of the coffin. The Identification is to be done **prior** to the coffin being sealed.

## ***After the funeral:***

### **Ashes:**

The ashes are available for collection from the MCB 48 hours after cremation takes place. You can nominate to collect the ashes by selecting that option on the Application for Cremation Form or you can advise us at a later date. Please phone 1300 793 109 and follow the prompts to speak to your preferred cemetery, then follow the procedures for collection should you wish to collect on a certain day and time.

The ashes can be collected in person by the Administrator (ie the person whose name is provided on the Form 6 and Form 9). In the event that the Administrator is not available to personally collect the ashes, then a letter of authority together with acceptable identification (i.e. Drivers Licence) may be presented at the office, thus allowing a representative to collect the ashes on their behalf.

If you are undecided regarding the placement of the ashes, the MCB will hold the ashes for six (6) months free of charge and post out brochures to the Administrator. If the ashes are not placed with a memorial or collected within six months, a storage fee per month is charged. The MCB may dispose of the ashes in accordance with our By-Laws if arrangements have not been made for them to be placed or held beyond the 6 month period.

### **REGISTRATION OF DEATH:**

Under the Births, Deaths and Marriages Registration Act 1998 you are required to register the death of the deceased with the Registry Births Deaths and Marriages (Department of Justice). The registration of the death is required to be completed within fourteen days (14) of the death occurring and within seven (7) days of the funeral.

The following documentation needs to be presented to the Registry, Births Deaths and Marriages, Level 10, 141 St George's Terrace Perth during normal office hours:

- **Death Registration Form** duly completed  
(In the case of a STILLBORN, a **Birth Information Paper** must also be lodged)
- **Medical Certificate of Cause of Death, Medical Certificate of Cause of Stillborn or Neonatal or Coroner's Certificate**

Once registered the applicant may lodge a **Death Certificate Application** form with the Registrar, a fee for this document will be charged.
